This meeting was called in order to consider the latest iteration of the draft Consultation Statement and associated annexes and to review its completeness with regard to all the supporting evidence which has been accumulated. Similarly, our stock of evidence was reviewed to ensure we had complete sets for each consultation stage.

Some adjustments to the datelines in the Cons. Statement were made to ensure accuracy against the evidence.

Lois is to now format the Cons. Statement as a final draft for us to approve at our next meeting.

It was noted that all evidence will eventually need to be put in electronic format and available through the website.

The meeting closed at 3.15 pm.

**Post meeting note: Extraordinary PC meeting to receive the draft Plan is arranged for 13<sup>th</sup> February**
