18/22 Approval of NDP Documents for Submission to Herefordshire Council (Regulation 15)

All documents to be submitted had been provided electronically to members prior to the meeting and hard copies of the NDP and Consultation Statement had been provided to those members that had requested them. EG provided a summary of the process by which the documents had been prepared and thanked the Steering Group, in particular Lois Newman for her recent efforts in typing the latest version. Members expressed their thanks to all involved for their contributions. Two typographical errors were noted;

- in the Consultation Statement p4, penultimate para the word "was" to be inserted between the words "this" and "not";
- in the NDP v080118 p25 CF-1B, "NPD" to be removed and replaced with "NDP".

It was agreed that these corrections should be made and that they did not alter the sense of the document. There were no further comments.

Resolved: to approve the How Caple, Sollershope and Yatton NDP v 080118 amended as agreed, the Consultation Statement Jan 2018, the Basic Conditions Statement Dec 2017, the Habitats Regulation Assessment Dec 2017 and the Strategic Environmental Assessment Dec 2017 for submission to Herefordshire Council.
