19/17 Ward Councillors report

Cllr Durkin explained the financial position of Hereford Council with reference to the proposed Council tax increase and answered questions regarding the highways repairs.

19/18 Representations from the public.

A member of the public questioned Cllr Durkin as to the prioritisation of repairs carried out on minor roads and B roads. Several members of the public had concerns about the priority of the repair was noting minor roads in need of repair and B roads being repaired.

Also concerns were raised regarding the traffic and the speed of the traffic travelling on the B4224 approaching the Grange in How Caple with the proposed Hall of Residence due to open later this year.

It was agreed that the clerk should write to Hereford Cathedral School restating their willingness to sponsor a public meeting to further understand the schools future plans for the building.

The public were advised that the Totnor Bridge repairs would be completed in approximately 4 weeks and that road repairs were checked every 4 weeks. Members of the public also asked for guidance on the lengersman duties. These were explained by M.H.

19/19 Development regarding traffic issues on B4224

The chairman read the report from the meeting Cllr; LG had attended with Ian Connolly traffic management advisor Warwick and West Mercia Police regarding the speed of the traffic on the B4224. It was agreed that the report did not show a true representation of the speed vehicle were travelling because at the time the survey took place traffic lights were in place and the roads were icy. Cllrs: BC and MH proposed a second study was needed to allow members to suggest the location point for the counter. It was agreed the clerk should write requesting a second meeting reminding them the need for the white lines and road signage be re painted. Copy to Cllr B Durkin.
